

## Medication Tracking Ultra-Secure Starter Kit

It's easy to forget whether you have taken your pills, no matter if they are vitamins, supplements, or medication. This kit helps you or a loved one see when you have taken your meds. An affordable solution for helping you or a loved one track your medication intake. The included Twist HD camera verifies when medication is taken.

- 1x Security Shuttle
- 1x Twist HD Camera
- 2x Medication Tracking Sensors

### Network Security

Creates a closed network with advanced security measures to protect your privacy

### 24/7 Intelligent Recording

The recording automatically filters out unchanged scenes

### Night Vision

Automatically switches to infrared night vision mode under low-light conditions

### Motorized Panoramic View

Provides you a 360 degree motor-driven panoramic view

### Medication Tracking

Uses sensors to track your medication intake

## KEY FEATURES

- Attach the medication tracking sensor to a pillbox or prescription bottle to log medication intake
- The Home8 mobile app makes it easy for you or a caregiver to monitor a loved one's medication intake
- Twist HD cameras provide 360 degree view to make it easier to locate a loved one in case of emergency
