Next-Gen Interactive Video Alarm & Awareness System

AlarmShield S6
Interactive Security System

Home8 AlarmShield S6 System is a compact and affordable home security solution for multiple locations to provide mobile push alerts to multiple tiers of users. The system is a Plug-Activate-N-Play home automation system-in-a-box that you can quickly and easily install yourself. The system is controlled through an easy-to-use smartphone app, giving you complete control.

- *1x Security Shuttle*
- *2x Door + Window Sensors*
- *1x External Siren*
- *1x Infradred Motion Sensor*
